

Dear valued customer,

Beginning in 2025, SMI Properties is implementing a digital platform called eventful for golf cart rental reservations and credential ordering. We hope the following information will answer any questions you may have regarding this new process. Should you have any additional questions, or need assistance, please contact us either by email at [golfcarts@smiproperties.com](mailto:golfcarts@smiproperties.com) or by phone at 704-454-1619. Our team looks forward to working with you this season!

Accessing eventful –

- To gain access to our organization on this platform, we must send you an email invitation to create an account. Please reach out to us directly and we will send you the invite.
- Once you have created your login, you will be prompted to fill out your Customer Profile and submit for review. **You will need a valid COI to complete your profile and to be eligible for an account.**
- Our team will review your profile to confirm business and insurance eligibility before activating your account. You will not be able to place credential orders or golf cart rental reservations until your account has been activated. Please allow us some time to review and approve your account after submission.

Pricing –

- New rental rates are effective beginning in 2025 due to increasing transportation and equipment costs.
- Annual and single-event credential costs remain the same for 2025.
  - One (1) complimentary annual credential is offered to each driver competing a full-time schedule in any of NASCAR sanctioned series.
  - One (1) complimentary annual credential is offered to each organization for a team-owner, regardless of how many owners the organization has.
  - Food and beverage vendors under contract with Levy Restaurants are eligible for discounted annual credentials at the rate of \$1000.00 each.
- A 15% late fee will be added to any rental reservations or single-event credential orders that are placed within 15 days of event week.

**Standard Event Rates effective 1/1/2025 – applicable taxes will apply and are not included in these rates**
